

2009 RUN TO THE SUN – AID STATION LOCATIONS

Each station will be marked by a VIRR sign. All stations are on the left side of the road (down-bound lane, facing traffic) for the safety of the runners.

- #1: Cane haul road crossing 0.4 miles after Hansen Road intersection; look for slight turnoff.
- #2: Cane haul road crossing 1.0 mile after **new** county landfill.
- #3: Pulehu Road/Omaopio intersection on Pulehu Road/cane road turnoff; turn **right** onto Pulehu Road/cane road. **Please use caution at this intersection. Runners have gone the wrong way in the past!**
- #4: Three miles after aid station #3; after sharp left turn, at pulloff across from pineapple field entrance.
- #5: About 100 yards below Lower Kula Highway and Kula Highway intersection; turn right onto Pulehu Road 1.0 mile past aid station #4, follow Pulehu Road for 1.5 miles to top of road, then turn left at stop sign onto Lower Kula Highway.
- #6: About 50 yards above Sunrise Market on Crater Road; after aid station #5, cross Kula Highway onto continuation of Lower Kula Highway--be careful! Continue for short stretch on Lower Kula Highway then take a sharp right on Pulehuiki Road, at top of Pulehuiki turn left on Kekaulike, then turn right on Crater Road.
- #7: About 0.2 miles after mile marker 2 (MM2) at bend across from lavender farm, before ATV Tours.
- #8: About ½ mile after MM4; pull-off area overlooking a eucalyptus grove.
- #9: About 0.9 miles past MM5 on grassy turnoff.
- #10: About ¾ mile past MM7 at a grassy pullout at the beginning of a long flat section.
- #11: Pull-out across from uphill gravel service road, about 100 yards before first MM10 (somehow there are two-mile marker 10s).

Stations 12-20 are within Haleakalā National Park. Volunteers—please do not forget to pick-up your park pass at aid station #6.

- #12: About 1 mile past Park Entrance Station, past MM11; bus parking area across from Park Headquarters parking lot entrance by stone wall. **SPECIAL NEEDS STATION. Volunteers please park in the parking lot across the street.**
- #13: Service Area entrance past MM12; use caution when turning left into this area. **Volunteers – only one car may park here. Please do not block entrance; a park maintenance truck may need to access this area.**
- #14: Unpaved pulloff above 7700' bend, before MM14. **Volunteers—only one car may park in this space; space is tight.**

NOTE: Halemau'u Trailhead aid station was discontinued in 2007 due to traffic hazards.

#15: Unpaved pulloff across from apple tree, about 0.9 miles after MM15. Apple tree is in gulch makai side (upbound lane). Pulloff visible from 30 mph sign before apple tree.

Volunteers – there is room for only one car to safely park here.

#16: Paved pulloff below Leleiwi Parking Lot, about 0.1 miles before MM17.

Volunteers – two cars may park on the paved shoulder. Please do not park in the upbound lane across from the paved area.

#17: Unpaved pulloff across from 9000' elevation sign, about 0.1 miles past mile marker 18.

Volunteers – this area can safely fit one car.

#18: Paved pullout about 0.2 miles above Kalahaku Overlook.

#19: Summit road right after gate, outside Haleakalā Visitor Center main parking area; at summit shuttle spot—look for shuttle sign.

#20: Summit Parking Lot at finish, next to medical tent; to be service by drivers of aid station supply trucks and medical personnel.
